# WHO WE ARE

**Expedited Service Partners (ESP)** is a **24/7** full-service provider delivering turnkey solutions across diverse industries worldwide. Our team is committed to cost-effective, innovative, and timely solutions in **power generation, climate control, water supply, technical response, and heavy equipment services**. We specialize in **emergency response**, site services, and advanced technology, building strong partnerships while making a positive impact on job sites and in the communities we serve.

**If you need it, Expedite It.**

## EMERGENCY SERVICE PROGRAM

### WHY ESP?

The **Emergency Service Program** is crafted to blend effortlessly with your emergency response protocols. This ensures that when a disaster strikes, our program can be activated quickly and efficiently. Our goal is to focus on helping our clients plan ahead, ensuring they have priority response and minimizing their downtime during emergencies.

### KEY BENEFITS

#### **24/7 RESPONSE**

One-call activation of your team with immediate dispatch.

#### **PRIORITY RESPONSE**

Clients receive first-priority service during large-scale disasters.

#### **IMMEDIATE SCOPE AND ACTION PLAN**

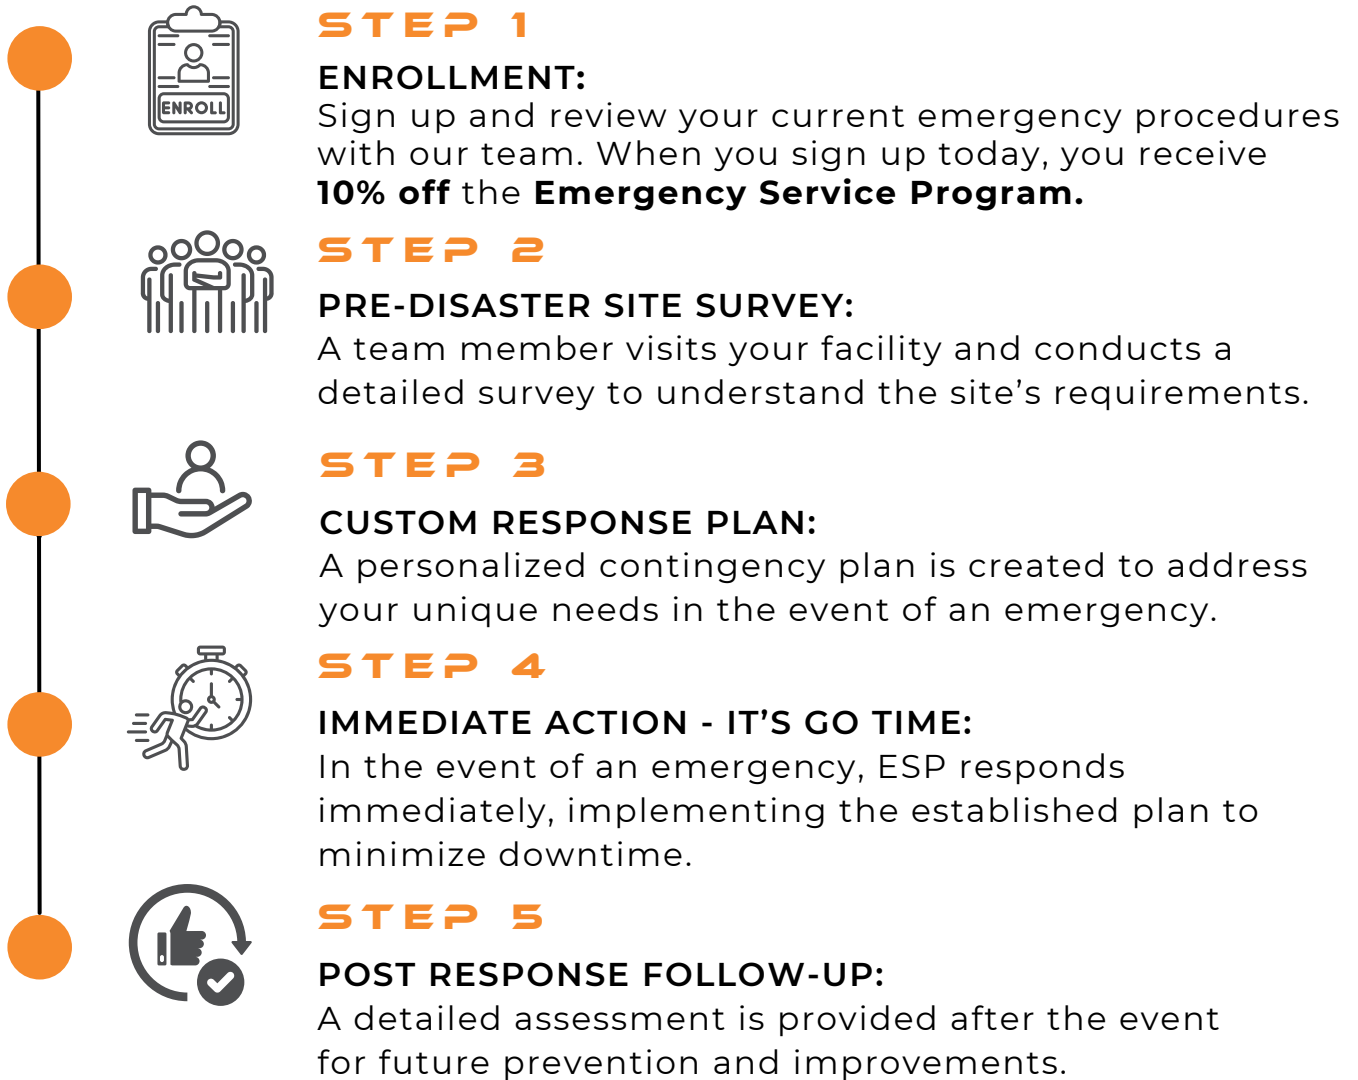

ESP provides a scope and action plan within 24 hours of a site visit, ensuring that action is taken swiftly.

#### **COMPREHENSIVE SUPPORT**

We offer contingency planning and guarantee that essential equipment is accessible whenever you require it.

## Testimonial

---

“

“All, thank you for all your hard work the past three days. All personnel made safety and quality their #1 goal. We huddled three times a day to review safety, protocols, manuals and SOP's. The communication and coordination were great. We had multiple successful inspections and paperwork stayed in order.”
